## Directions

1. Preheat oven to 350°F.
2. In a large bowl mix all of the ingredients.
3. Press into a parchment-lined 9" x 13" baking pan.
4. Bake for 30 min.
5. Cool and then remove from pan onto a cutting board.
6. Cut into 1 ½" x 2" servings. Yield should be about 39 servings.

### Tips:

Make sure your food processor components are completely dry when processing the cereal and the Graham Crackers.

Place the cooled bars in the freezer for about 45 minutes to make them easier to cut.

Try the strawberry-flavored dried cranberries or other dried fruits, such as blueberries or apricots. Chopped dates are also good and low fat.

Make the Prune butter ahead of time. It keeps in the fridge for up to 3 weeks.
